Sai Surekha Tatamchetty

I am a highly skilled and motivated individual with a Master of Computer Application degree. I have a strong proficiency in JAVA, SQL, and HTML, and I am constantly seeking to expand my knowledge and expertise in the field of computer science. Through my education and practical experience, I have developed a solid foundation in software development and programming. I am eager to leverage my skills to contribute to innovative projects and make a positive impact in the tech industry.
